### 7 Keys to Successful Teamwork

The idea for The 7 Keys to Success arose when a working associate sent me a short, inspirational video that listed seven success principles. That particular video is no longer available. But at the time, I enjoyed it very much and as a consequence, felt inspired to begin writing this book, filling it with anecdotes and personal stories to illustrate the principles.

This list is certainly not an exhaustive description of all that's involved in project management, but these seven components are the ones that I've seen make or break the success of a job. Project management is as much an art as it is a science, but these building blocks will help you stay on target to meet the project requirements within budget, on time and to the client's satisfaction.
