### Silent Letter 'A': a pronunciation guide - English Digital ...

The Japanese language has roughly half as many sounds as English, but this doesn't prevent it from eagerly soaking up vast quantities of Western words and expressions. This process is uniquely facilitated by the existence of the katakana phonetic script, which basically compresses foreign words into the same limited range of sounds available for native ones.

### Audio Guide to British English Pronunciation ...

To have great English pronunciation, you need to be aware of new sounds, nuances, different intonations, the tonic accent, and the rhythm of the language. Academic methods generally focus too much on written skills and not enough on speaking and pronunciation. But English pronunciation and phonetics are incredibly important for being understood ...
