3.0 out of 5 stars Good book, terrible customer service. March 24, 2016. Format: Paperback Verified Purchase. Great question source, but traveling between questions/answers is bulky. The online version is no better (if not worse)... If you want to study "Hematology and Coag" for instance, there are 325 questions.

Clinical Pathology Board Review by Suzanne Arinsburg ...
Extensively revised and updated to reflect recent advances in pathology knowledge and practice, Anatomic and Clinical Pathology Board Review (formerly Pathology Exam Review) is an excellent study resource for initial and re-certifying board examinations and in-service exams. More than 2,000 board-formatted multiple-choice questions, many accompanied by full-color images, prepare you for success on this challenging exam.

Anatomic and Clinical Pathology Board Review ...
I also picked up the Clinical Pathology Board Review book 1e, with the caveat that some of the questions are so impossible, PhD focused and nitpicky that you'll feel stupid and despondent, but it prepares you for certain areas and the board questions look less esoteric and terrifying in comparison, toxicology in particular.

QUICK VIEW MESSAGES. Wednesday 03 Jul Fall Primary Exam Reminder-The deadline for those who currently hold a period of board eligibility, the deadline to register is July 31. Late fees do not apply. The deadline for new applicants has passed. Sunday 17 May If you are participating in ABPath CertLink (ABPCL), please keep your contact information up to date in the profile section of ABPCL.

American Board of Pathology
This book more or less has the monopoly on the pathology board review books. In that capacity it does a decent job. It will highlight areas that might have been missed during a rotation or study session. Some of the pictures could be improved, but the same could be said about the board exam themselves. Worth the purchase.
