The above manual has no publication date and is focused primarily on the C200 which is a very different frame style from a CT200, however, the engine in the C200 and CT200 are the same. As the CT200 frame is almost the same as the 1966-1968, CT90, use the next shop manual below for information on the CT200 regarding anything except the engine.

Engine rebuilding tips One of the comments in my Engine Rebuild Picture Post that made me think that yanking an engine and tearing it down can be a daunting task to some. So I thought some words of encouragement might ease concerns. About me: I am not a mechanic - I am a geologist that loves wrenching. I'm not afraid to tackle any job - it's a new learning experience.
