We're about a quarter of the way through the book. I'm using it with a student with dyslexia & dysgraphia. He was in public school 3/4 of the way through 3rd grade before I pulled him out to homeschool to work more on the dysgraphia. He had not had exposure to a formal grammar curriculum before starting this program. It's completely "open and go".

This book made it very easy for me to teach my 3rd grader grammar. Grammar was not a strong point for me, but the method this book uses really makes sense.
