Dream-lag is when the images, experiences, or people that emerge in dreams are images, experiences, or people you have seen recently, perhaps the previous day or a week before.

Dreams: Causes, types, meaning, what they are, and more

Instead, let the sensual experience of life teach you a little something about creation. The worst stories come from ideas: generalizations, abstractions, analysis. For a story to be real it must be experienced while it is written like a dream. As new-agey as this is going to sound, bear with me, a story much be entered into like a house.
