Gross Pay or Salary: Gross pay is the total amount of money you get before taxes or other deductions are subtracted from your salary. Your gross income or pay is usually not the same as your net pay especially if you must pay for taxes and other benefits such as health insurance. Some people refer to this calculation as a unit rate conversion.

Your gross pay will often appear as the highest number you see on your pay statement. It is a reflection of the amount your employer pays you based on your agreed upon salary or hourly wage. For example, if your employer agreed to pay you \$15.00 per hour and you work for 30 hours during a pay period, your gross pay will be \$450.00.
