Health Journeys Guided Imagery

Our Guided Imagery and Meditation audios offer simple but powerful ways to alleviate distress, reduce anxiety, promote restful sleep, and provide a sense of mastery and confidence. They help your body fight disease, prepare for medical procedures, and reduce side effects from treatment. They reinforce motivation for healthy behavior change, and catalyze peak performance.

Health Journeys | Guided Imagery | Guided Meditation

Guided imagery (sometimes called guided meditation, visualization, mental rehearsal, and guided self-hypnosis) is a gentle but powerful technique that focuses the imagination in proactive, positive ways. It can be as simple as an athlete's 5-second pause, just before leaping off the diving board, imagining how a perfect dive feels when slicing through the water.

What is Guided Imagery? | Health Journeys

Health Journeys and Belleruth Naparstek's guided meditation for wellness promotes feelings of peace and optimism, and helps boost mood, productivity and focus. Try one of our Health Journeys' guided imagery relaxation tools, in MP3 or CD format, to reduce anxiety and lower inner tension, and experience greater resilience in your life.

App - Health Journeys | Guided Imagery | Guided Meditation

As the COVID-19 pandemic was being identified in the United States, I had just begun discussions with Belleruth Naparstek, guided imagery meditation expert and founder of Health Journeys, to translate and record some of Belleruth's vast library of meditations into Spanish. Feeling the need to fast-track the project because of the extraordinary situations of frontline workers and affected communities, we mutually decided that it would be best to start with the "Relaxation and Wellbeing ...

Health Journeys - Popular Guided Imagery Meditation Audio ...

Health Journeys is a multimedia publishing company, established in 1991 by social worker Belleruth Naparstek and businessman George Klein, which specializes in self-help audio recordings of guided experiences, such as meditation, imagery, hypnosis, relaxation, acupressure and yoga. We create accessible, user-friendly, evidence-based programs that alleviate distress and assist with medical and mental health challenges; and heighten a sense of mastery, vitality, creativity and performance.

Mission and Purpose | Health Journeys - Guided Imagery

Guided imagery involves listening to someone else take me through the process of relaxation, and creating a healing scene and experience for me. You can listen to one of my favorite guided imagery experiences, as well as some very powerful affirmations here, done by Belleruth Naparstek.
