How To Knit For Beginners

To begin knitting, you will need to create a foundation row of stitches on your needle by "casting on." Drape the tail of yarn over your left thumb and the working yarn (ball end) over your left index finger. Use your other fingers to catch yarn lengths in left palm. Insert the needle upward through the loop on

To start knitting, you'll need to "cast on", or fill up a knitting needle with starter loops. Then you'll knit some number of rows until the piece is the size you want. Then you'll "cast off", or close out all the loops so the knitting doesn't come unraveled again. There are also varieties of ways to hold the needles and yarn.
