The answer to the above question depends on three things: your budget, time and enthusiasm. Honestly, you could just buy one connected home gadget and get going with the individual brand's app then work any additions out later. For the past five years or so that's what plenty of people have been doing.

Just like in any other business, to operate a successful board and care home, you will need a fully fleshed-out business and funding plan. Make sure to include a marketing plan and cash flow plan, as well. If you are a sole proprietor with a good amount of money to invest, you might not need outside capital.
