Book Review of Oreo (Northeastern Library Of Black ...

Oreo lives in the interstices between black and Jewish, which could mean that she doesn't fit in with either community, but in this book, it's not either or neither, it's both. Oreo passes between the black and Jewish communities with little fuss. She even passes for an adult when she goes into bars to use the bathroom.

Oreo Northeastern Library Of Black Literature

The Library has always been there for the Northeastern community, making resources, services, and spaces available for learning and research, and being responsive to what is happening in the world. While the coronavirus may be novel, today is no different.

Home | Northeastern University Library

One of a few works of satire written by African American women, Oreo is an uproariously funny novel about relations between African Americans and Jews. It is as fresh and outrageous today as when it was first published in 1974. Born of a Jewish father and black mother, Oreo grows up in Philadelphia with her grandparents while her mother tours with a theatrical group.

Fran Ross, Author Info, Published Books, Bio, Photo, Video ...

Northeastern's African American students felt it was important to have part of the center in the community because they were the community and knew that the community needed more resources. By the fall of 1970, Northeastern's full-time African American population grew to about 500 students. Many of them came from areas outside Massachusetts.

African-American Institute - African American Activism ...

The Black Music History Library is a list of resources (books, articles, podcasts, films, etc.) about the Black origins of popular and traditional music. From the about page: There are many notable archives doing similar work, yet it isn't uncommon for some to have a limited view of Black music — one which fuels US-centrism and a preference for vernacular music traditions.

The Black Music History Library

Northeastern library of Black literature. George Samuel Schuyler, was a noted black satirist of the early 20th century. This book is an intricate tale of black nationalism, science fiction, and incredible feats of derring-do intended to bolster black pride and accomplishment in the uneasy years before World War II.
