MEENA SRINIVASAN
Teaching Students to Breathe. When we practice mindfulness practices such as core breathing, we're able to have a little separation between our thoughts, our feelings, the sensations in our body, and our breath—We're cultivating self-awareness. By Wendy Baron; August 21, 2019; Resources for Attention

Teaching Students to Breathe - Mindful Educators Community
When teaching mindfulness is accepted and embraced, it can change the tone and tenor of an entire school, or district. In 2008, the South Burlington, Vermont, school district began an effort to train teachers and students, using the Inner Resilience program for younger grades, and the Learning to Breathe program for older ones.
