Traitor The Dragonrider Chronicles Book

Conway's exciting dragon trilogy concludes with "Traitor," and as previously noted in my reviews of books 1 and 2, this series is a winner and is kept relatively rated G, except for the violence that must accompany a book about warring nations/races and those who use magic, swords, and dragons to protect their kingdoms.

Traitor is the third installment in the Dragonriders Chronicles, following Fledgling and Avian. This series is not a trilogy, so don't expect the adventure to end here, which isn't a bad thing. I wanted to read the ending of this story, but I'm glad it wasn't rushed because Traitor was a surprising yet exciting installment in this series.
